COMMENTS FROM THE TOWN MANAGER'S OFFICE

Ten day notices to persons owing 1959 real estate taxes will be mailed on May 9th. Tax liens will be filed at the Registry of Deeds against property which the tax has not been paid by May 27th.

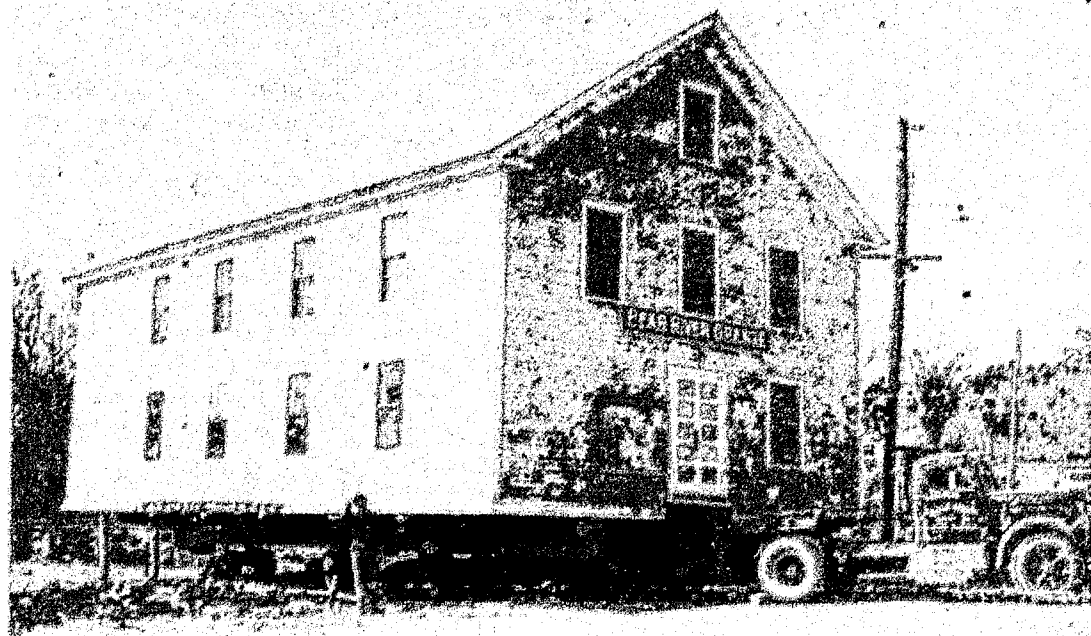

Motors and other electrical equipment have been removed from the Forest Products mill. This mill was taken over by the town on expired tax liens. The former owner was notified to remove the personal property within a specified time but failed to do so, resulting in the town taking possession. The personal property will be appraised and sold.

When the West Bethuel water system was installed late last fall there was not time enough before winter set in to clean up and leave a good neat job. At some points it was necessary to trench through lawns to lay the main. This past week work has been in progress cleaning up and repairing damage.

Since the water was turned on a pressure of 60-70 pounds has been maintained. This has been recently reduced to 40-50 pounds. By reducing the pressure it was found that the air content of the water was reduced so that when water is drawn it will not appear milky for a few seconds.

Sincerely,
Harold L. Bean

JUNIOR BASEBALL FANS HOLD FIRST MEETING

On Monday evening, a few old faithfuls gathered at the Community Rooms to discuss plans for the summer baseball season for the Junior Baseball program.

Floyd Bartlett resigned as Chairman of the Executive Committee, and Robert Mills as Red Sox manager. Because of the absence of many committee members, it is not known just how many vacancies will have to be filled.

Only two teams will compete in the Oxford County League this year. They are the Red Sox and the Bethuel Juniors. The remaining players will practice on farm teams known as the Braves, Cardinals, Tigers, and Yankees.

The managers of these teams are as follows: Red Sox, Andrew Bowd, Hanson Olson; Braves, Maurice Brooks, Edward Robertson; Cardinals, Reddy Hanson; Buddies, Tigera, Stanley Fox, Larry Davis; Yankees, Charles Farrar; Bethuel Juniors, Richard Saunders, Clifford Jackson.

Another meeting will be held next Tuesday night at the Community Rooms at 7:00 for committee members, but anyone interested in helping with this program may feel welcome to attend.

On Friday morning of this week, a "Sign-up" will be held at the elementary schools for boys 8 to 14 years of age.

On Friday, May 20, there will be a public pot-luck supper at the Methodist Church.

GOULD ACADEMY

Motion Picture Producer

Martin Bovey, Jr., Gould '46, recently returned to Gould Academy to show three of his motion pictures—one on the Red Sox and All-Star baseball—1959, a second about Woods-hole, Mass., and a third on the breath-taking scenery in several of our National Parks. Mr. Bovey has always had an interest in photography and at the age of 22 had 150 prints on 35 different subjects hung in the U. S., Canada, South Africa, South America, England and Hawaii. More recently his photographs have appeared in magazines and newspapers. His motion picture productions have been largely in the fields of travel, sports, conservation and wildlife. At the present time Mr. Bovey is motion picture producer of Border Productions, Inc., of Boston. He will serve in the near future as one of the five judges of the Kodak High School Photo Contest. Mr. Bovey is married, has two children, and lives in Concord, Mass.

One of his reasons for returning to Gould was to pay tribute to Gayle A. Foster, a member of the Gould faculty, who gave him the foundations for his career in photography in the Gould Academy Camera Club. Mr. Bovey presented to the school, in Mr. Foster's name, a sterling silver exemplar Revere Bowl inscribed in the following manner:

On Saturday, May 7, the Huskies will be meeting South Paris in a Western Maine Conference game which will be a big factor in the league race. The reports from Paris are that the club is strong in every department, both on defense and offense. The Bethel nine has two victories to its credit, but showed little strength at the bat against Mechanic Falls last week. They will have to improve their hitting if they expect to win over the Cardinals here on Saturday. Coach Bowhay will probably start Saun-

ders on the mound with either DesRoches or Merrill behind the plate. Game time: 2 p. m. Fryeburg Academy will be at Gould on Tuesday, May 10, starting at 3:30.

Farmington Tracksters at Bethel, Friday, May 6

Gould Academy will have its first home track meet on Friday, May 6th. Farmington is the regularly scheduled opponent, but South Paris is now planning to enter some of the events, which should make the meet more interesting. The Huskies dropped their opener at Rumford last Saturday and are more than eager to get back into the win column again.
